RE: Termination of Permit-by-Rule for a Solid Waste Processing Facility
MedSafe Environmental Medical Waste Processing – SWP 83-1431

Dear Mr. Ciangi:

This letter will serve as official notification that the Tennessee Department of Environment and Conservation, Division of Solid Waste Management, has terminated your permit-by-rule for the above-referenced facility because of the relocation from 115 Free Hill Road to 204A Louise Avenue, Hendersonville, Tennessee.

This letter will also acknowledge that the facility has been acceptably cleaned and closed as of November 2010, per inspection by Division personnel. Therefore, in accordance with Rule 1200-1-7-.02(1)(c)1.(i)(XVIII), your permit-by-rule is terminated, effective January 5, 2012. Annual Maintenance fees will be prorated to this date.

If you wish to re-open the facility at a future date, you must complete the permit application process again.

If you have questions concerning this letter, please feel free to contact Paul Evan Davis at (615) 532-0072.

Sincerely,

A handwritten signature in blue ink, appearing to read "Mike Apple", is located below the "Sincerely," text.
